Broadwood Charolais

We extend a warm welcome and special thanks to you all for showing interest and attending our 3rd annual on farm bull sale.

We run Charolais plus cross-bred commercial cows across our 2 Broadwood properties. We have found Charolais to be an excellent terminal sire over the years as they produce progeny of similar colour, are easy calving but have strong growth which makes them highly sought after.

These purebred rising 2 year bulls were born on our properties then our eldest daughter Catherine and son in law Craig Murray have farmed them since they were weaned and we thank them for their efforts and for hosting us all on their property.

This year we are also pleased for our youngest daughter Anita and son in law Doug Booth to offer 2 of their Hokianga Angus R2 purebred bulls after the Charolais. We guess cattle breeding runs in the blood.

All bulls have been TB, EBL and BVD tested (clear) and vaccinated.

Kind regards from the Semenoff family to you and yours.

Wayne and Gay.

2023 Sale Bull on offer Lot 3- Broadwood Stu S32.

Hokianga Angus

Kia ora and welcome to our 1st public offering of R2 Angus purebred bulls. We established the stud in 2019 with the purchase of capital female stock from Stern, Matauri, Rangatira, Merchiston and Meadowslea Angus Studs respectively.

Like anything new we have been finding out what works for us and building on what appeals and performs.

NZ Angus cattle bloodlines we have found tend to have poor EBV's that look average (or below) on paper. However this has not been the case in the paddock. They continue to impress us by carrying fat on their backs all year round, scanning well for internal fats and weaning our best calves. On the other hand international Angus bloodlines tend to have high growth EBV's that look very attractive on paper.

Our aim as Angus Stud breeders is to produce cattle that combine genotype with phenotype. They've got to look the part and perform well as that will give us the most pleasure and the best bang for buck.

We hope this year will be the first of many, enjoying Angus cattle with fellow cattle breeders and growers alike.

Sincerely the Booth family. Doug, Anita and children.

The Booth girls in tow weighing Hokianga Sirloin S1 (Lot 23) at birth.
