Broadwood Charolais

Welcome and special thanks for showing interest and/or attending our 4th annual on farm bull sale.

This year also marks our 40th year of breeding Charolais cattle so we would like to acknowledge all past and present purchasers, supporters and helpers who have been a part of our journey thus far, thank you.

We became hooked on Charolais in 1984 when our first line of Cross Bred weaners topped the Broadwood Sale making \$480 which was big money for the time. We were impressed with the Charolais sire and his progeny so began breeding our own.

On offer this year are 16 Charolais purebred rising 2 year old bulls. All bulls (including the 6 Angus) have been BVD tested clear and vaccinated for BVD, IBR and P13 viruses with Hibrabovis 3. It is recommended to give annual boosters pre-mating hereafter.

We look forward to hearing from and meeting up with new and old clients.

Kind regards from the Semenoff family, Wayne and Gay.

2024 Charolais Sale Bulls on offer.

Hokianga Angus

Established in 2019 with the purchase of capital female stock from Stern, Matauri, Rangatira, Merchiston and Meadowslea Angus Studs respectively. We have slowly expanded since, with the aim to bred cattle that combine genotype with phenotype and cattle that will perform in our Hokianga setting.

We jumped on the back of the Charolais Sale so we have on offer 6 Angus purebred R2 bulls that will be up for auction after the Charolais bulls (Lots 17-22).

Sincerely Doug and Anita Booth.

The youngest member of the Booth family hanging out with Thumper T4 who is the first of the Angus bulls catalogued in the sale at Lot 17.
