Broadwood Charolais:

Est 1984

We extend a warm welcome and special thanks to you all for attending our sale.

Broadwood Charolais has been established for over 35 years. We farm predominately Charolais on our 2 farms in Broadwood plus some cross bred commercial cows.

These rising 2 year bulls were born on both of our farms, then our eldest daughter Catherine and son in law Craig Murray became involved running the bulls on their farm once they were weaned and we thank them for their involvement and for hosting this year's sale.

We hope these bulls meet and exceed buyers expectations to produce easy calving but good growth progeny.

We have found Charolais to be an excellent terminal sire over the years and hope you too enjoy the breed.

The bulls have all been EBL and BVD tested (clear) and vaccinated.

Kind regards from our family
