Welcome visitors to Colemans Annual Charolais Bull Sale 2019.

The season has come from a past wet summer and winter, to a hot dry summer, the ground has not recovered from a continual wet to a sudden dry leaving a lot of rough paddocks.

The northern weaner fairs average prices are down from last year, but top lines still sold well. Total clearance has been seen at our local sales and the southern based carriers are in force to transport south.

There are two new sires added to this seasons mating, one from our AI programme Palgrove outback N4 and the dispersal sale of Nouvelle Stud at Whakatane. We purchased Nouvelle Moby M13 plus two bull calves, who are in the catalogue, as heifers outnumbered the bulls last spring.

Through Semex we imported semen from the USA from a bull called CJC Symbol from the largest charolais stud in the States, De Bruckyer Charolais of Montana. They have a herd size of 2200 cows, with the annual sale of eight to nine hundred bulls. Unfortunately offshore EBV's are not transferable and in our case what you see is what you get, so time will tell.

Our first calves from this AI programme are on the ground with no problems and we are observing their progress in our environment with interest.

Two yearlings by Minto, whose sire was North American RITMO 7 WEMM (pld), will be voted on as to which one goes to auction by those purchasers that attend on the day. Their sire was lost with a hoof infection. Their live weights were measured and their photos taken on the 16-4-2019.

The catalogue photos were taken on the 16<sup>th</sup> of March.  
The bulls were weighed on the 15<sup>th</sup> February 2019.

Thankyou for coming and that any purchases made proves profitable to the purchaser.

Regards  
The Coleman Family  
Lily, Hinari. Richard and John.
