

The Grainger family of Kia Toa Charolais welcome you all to our 2019 and 16th annual bull sale.

Like for most farmers the year has flown and it hardly seems a year since I was writing the 2018 forward. With the purchasing of the neighbouring property, the changeable and extreme seasons and with all the new rules and regulations involved in agriculture it certainly has been a full on year. We even had to employ a worker who actually wants to be paid!! Obviously missed the memo "Work for the Graingers, bring your own wages".

I can't write a forward without commenting on the weather. What extremes we now seem to encounter. The spring was great with excellent growth, almost to the point of losing control of grass. That extreme growth came to a screeching halt, to be replaced with searing temperatures and howling winds. The swimming pool and beer fridge got a thorough workout while the raincoat and leggings started collecting the unemployment benefit! Even now, well into the autumn, we have still not had any decent rainfall.

The bulls have come through one of our regions driest spells ever, reasonably well, even though they have been eating plenty of weet-bix and bugger all peaches and cream.

We travelled south, in June, to purchase a new young bull, Silverstream Marlow, from Brent and Anna Fisher. The top Australian stud, Palgrove, features strongly in his background which should usher in new attributes and genetics to our stud. We wait with anticipation to his calves hitting the ground this spring.

Silverstream Joblin, whose picture is on our front cover, has his first bulls for sale in this years catalogue which are out of our younger cows. He seems to have added some real power and grunt to the next generation.

As always the bulls are fed only haylage, grass (not so much of) and sunshine (plenty of) and have been EBL & BVD tested clear and vaccinated however we do recommend that all bulls receive a BVD booster vaccination prior to mating.

We hope you enjoy your day and find a sire to suit your needs.

Please stay for a beer and a steak sandwich and a catch up. We can debate how the All Blacks will win the Rugby World Cup and how Jacinda will make the world a better place or maybe we'll just have a beer!!

Grainger Family

EBV'S EXPLANATION

Estimated Breeding Values (EBV'S)

EBVs for the growth traits are calculated in kilograms. The EBV is the best estimate of an animals genetic merit for that trait.

Birth Weight EBV

This EBV gives an estimation of the animals breeding value for birth weight. The lower the EBV, the lower the birthweight.

200-Day Growth EBV

Estimation of the animals genetic merit for 200-day growth calculated independently of the maternal milk effect.

400-Day Weight EBV

This EBV gives us an estimation of the animals yearling weight potential.

600-Day Weight EBV

This EBV is an estimation of the animals genetic potential for growth to 600 days (18 months).

NZ Charolais Society EBV's National Average 2018			
BW	200 day	400 day	600 day
0.94	22.4	37.5	44.1

These are averages from the Colorado Estimates

CONDITIONS OF SALE

1. The auction will be conducted under the Conditions of Sale laid down by the Stock and Station Agents Association.
2. All bulls are guaranteed breeders. If there are any claims made against the bulls, they should be made in writing within 7 months of the sale and accompanied by a Veterinary Certificate. Should the Bull fail to breed to a satisfactory level this animal will either be replaced with an animal of comparable value or a credit given at the following sale. This does not include interest, expenses, costs and damages.
3. All Bulls are sold with a 2 season Foot Guarantee which guarantees they will be capable of natural service for a minimum of 2 seasons. This guarantee only covers faults due to poor conformation and does not cover obvious negligence on the part of the purchaser or faults due to injury or abscess. Any claims must be made in writing and accompany a Veterinary report within 14 months of sale. Remuneration will be made in the form of either a replacement animal or credit at the next years sale on a pro rata basis, to the amount of use received by the purchaser, with the Bull being returned to Kia Toa Charolais. This guarantee does not include interest, expenses, costs or damages.
4. Bulls are to be trucked for delivery by the purchaser as soon as possible after the sale. If required Bulls may be held at the Vendors properties for up to 10 days after sale at the Purchasers Risk.
5. Insurance is recommended as each lot shall be at the risk of the Purchaser at the fall of the hammer.
6. Any dispute shall be settled by an arbitrator appointed by the auctioneers.
7. Kia Toa cattle are fully recorded and transferable within NZ Charolais Cattle Society Inc.
8. All Bulls are TB Accredited.
9. The Sale will be conducted exclusive of GST.

10. **PURCHASING REBATE** - All intending purchasers are required to register at the sales office prior to the sale. A purchasing rebate of 5% will then be paid to non-participating livestock companies and recognized independent livestock agents with approved credit facilities introducing new and/or accompanying buyers to the sale. Arrangements must be made prior to the sale and settlement made on the purchaser's behalf within 14 days.
11. Although all care has been taken to ensure accuracy of information contained in this catalogue, no responsibility is accepted for any error or omission that might be contained herein.

DISCLAIMER

All details and descriptions as to stock referred to in this catalogue have been supplied to PGG Wrightson and NZ Farmers Livestock by the Vendor and have not been independently verified by these companies. PGG Wrightson and NZ Farmers Livestock employees and agents make no representations or warranties or acknowledgement of any kind whatsoever in relation to any part of this catalogue (including, but not limited to the accuracy or completeness of details and descriptions of stock [and other contents]).

Purchasers, advisers and all other persons viewing or dealing with the stock must make their own assessment and judgment on the stock and the information in this catalogue.

PGG Wrightson and NZ Farmers Livestock employees and agents are not responsible or liable in any way whatsoever, whether in contract, tort (including negligence), or otherwise, to any person for any loss or damage whatsoever arising directly or indirectly from any information or representation included in or omitted from this catalogue.

Scrotal Circum: 39cm

Date Measured: 13.03.19

Actual 600 day weight: 702 kgs

Date Weighed: 13.03.19

Out of a 10 year old Nouvelle cow that has time and again produced a top calf. Nobleman is no exception and with figures like his, we cannot disagree. With a 70.8 600 day EBV he ranks right at the top end of the Charolais breed. Big deep barrelled bull with a tremendous back end, set on solid legs and feet. This animal is, in our eyes, possibly the star of the line-up.

Exclusive Bull Cover

What is Exclusive Bull cover?

All bulls auctioned at this sale up to the value of \$50,000 will automatically be covered under FMG's Exclusive Bull cover for 14 days at no cost to the purchaser.

Length of cover

To extend cover for the specified bull beyond 14 days you need to tick Exclusive Bull cover 12 months on the Purchaser Instruction and Insurance Slip in this catalogue. The specified bull is then covered for the remaining period of 12 months. The premium is payable to FMG and is in addition to the purchase price of the bull.

If you require an alternative cover period talk to an FMG representative.

Your bull's value

Any bull covered under this policy must be purchased for \$50,000 or less. For any bull purchased over \$50,000 talk to an FMG representative.

During the period of insurance, the specified animal is covered for:

- Death or infertility as a result of accident, disease or illness.
- Transit.
- Theft.

What we will pay

Fair market value of your specified bull, less any amount you receive for the sale of the carcass, up to the amount shown on the insurance certificate.

Disclaimer

Please note this is only a summary of the product and is subject to our specific product documentation. For full details, you should refer to the policy document. You can get these documents, and any other information you need, from your FMG representative, by calling us or visiting our website.
