Foreward:

Broadwood Charolais

Welcome and special thanks for showing interest and/or attending our 5th annual on farm bull sale.

Broadwood Charolais was established in 1984 after we were impressed with the breed and the use of the terminal sire over our cross bred commercial cows. Their offspring of similar coloured golds and silvers were good to handle and grew like mushrooms.

Since then we've concentrated heavily on having easing calving Charolais that are suitable for use both in the beef and dairy industries. We are working on reducing horned cattle in the herd and have bought homozygous polled herd sires in the last two years to phase this into the Broadwood Stud.

Bulls are available for viewing anytime or if you have any questions feel free to get in contact.

Kind regards from the Semenoff family, Wayne and Gay.

Photo of last years Sale Bulls.

Hokianga Angus

Established in 2019 with the purchase of capital female stock from Stern, Matauri, Rangatira, Merchiston and Meadowslea Angus Studs respectively. We have slowly expanded since, with the aim to produce cattle that do well, look good and are a pleasure to farm.

This year will be our 3rd annual on farm bull sale and we have on offer 9 Angus R2 bulls (Lots 17-25).

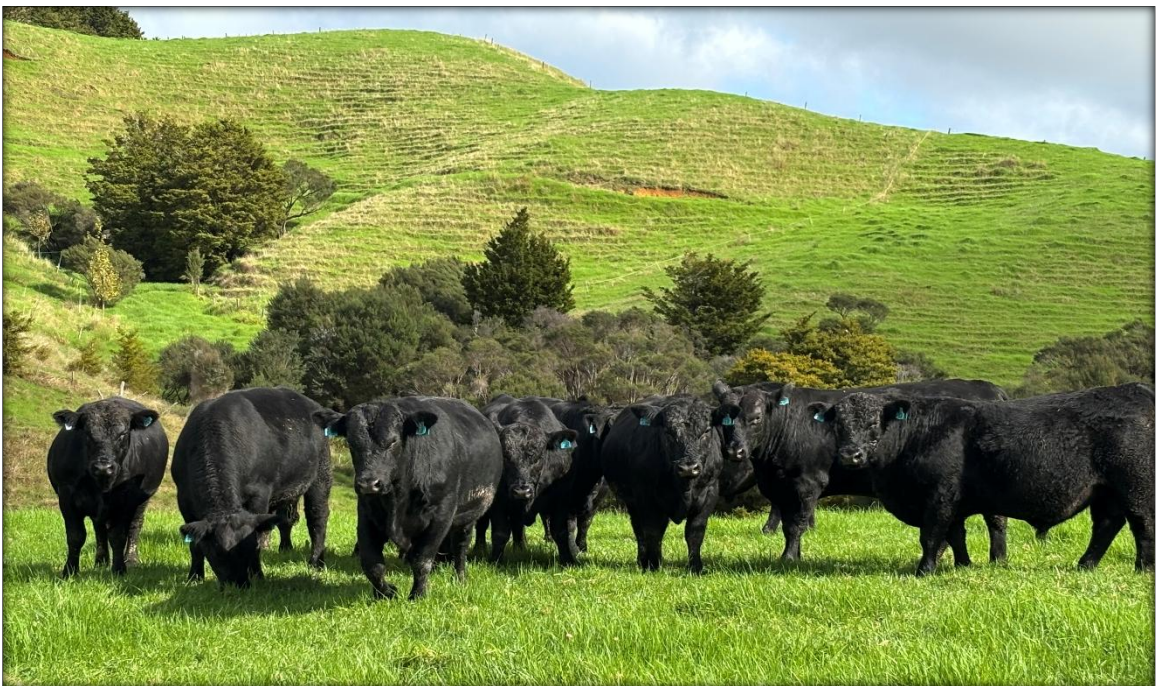

For viewings or questions feel free to get in contact,

Cheers and regards

Doug and Anita Booth.

To Whom It May Concern

This is to certify that today I blood tested bulls for BVD and confirm them to be negative for BVD as per attached lab results via SVS Laboratory in Auckland Submission No: 25H010958 25H011118

The bulls were vaccinated for BVD, IBR, & PI3 viruses with Hiprabovis Batch No 469W-1 Exp 03-02-27. They are due a booster vaccination in 3 week's time on 6th May 2025 then need annual boosters every year pre-mating.

Yours sincerely

FMG Premier Bull Sale Insurance Form

What is FMG Premier Bull Insurance?

On receiving a completed FMG Premier Bull Sale Insurance form, FMG provides its existing FMG clients with an active policy 14 days free insurance for bulls purchased up to \$50,000. For bulls purchased over \$50,000, please contact an FMG representative.

What is the length of cover?

Your specified bull(s) will be insured for 14 days once you have fully completed this form and it's received by an FMG representative. If you would like a longer period of cover, simply tick the Cover extension box below to extend your Premier Bull Insurance to 12 months. The specified bull(s) is then insured for the next 12 months at 7.6% of the purchase price.

FMG will invoice you for this additional cover.

What are the benefits?

✓ Infertility	Cover if your specified bull has to be euthanised due to permanent infertility caused by certain accidents, disease, injury, or illness.
✓ Theft or death	Cover for your specified bull for theft or death caused by certain accidents, disease, injury, or illness (including while in transit anywhere in New Zealand).
✓ Vet costs	Cover up to \$500 for treatment of your specified bull to prevent death.

What will FMG pay?

FMG will pay the fair market value of your specified bull, less any amount you receive for the sale of the carcass, up to the amount shown on the insurance certificate.

Apply

Please fill in this form as soon as you have purchased your new bull(s) and hand it to your FMG representative. This form **MUST** be fully completed and you have to be an existing FMG client with an active policy to be eligible for the 14 days free Premier Bull Sale Insurance.

Comments: Used as a yearling. Arguably the best bull we've bred so far on type and temp. Loves a good scratch. This cross works well using the moderate framed Meadowslea R818 over a Rangatira/Kaharau dam.
