Welcome to our 2011 Bull Sale and thank you for attending. All bulls have been vet checked and tested to be BVD and EBL free. The Mains Charolais Stud is committed to genetic improvement, to provide you the buyer with bulls that will breed well, giving calves that have good constitution and growth ability, with good shoulders to assist calving ease. All the Mains bulls were calved naturally without assistance; were wintered in one mob and have been drenched twice.

Jim More & The Mains Charolais are members of

### Conditions of Sale

- The sale will be conducted under the rules and regulations of the Stock and Station Agents Association as posted on the rostrum.
- All details of cattle catalogued are believed to be correct, but the auctioneers and vendors do not accept responsibility for error, omissions or mis-description, none of which will in any way invalidate the sale.
- TB Status of The Mains Charolais Stud is C10
- All cattle become the purchaser's responsibility from the fall of the hammer, Purchasers are strongly advised to insure all cattle prior to transit. Insurance can be arranged through the stock firm agents.
- All bulls carry a two season foot guarantee, which guarantees they will be capable of natural service for a minimum of two seasons. This guarantee only covers faults due to poor conformation and doesn't cover obvious negligence on the part of the purchaser or faults due to injury.
- Remuneration will be made by either a replacement animal, refunded, or a credit given at the next sale on a pro rata basis, to the amount of use received, with the bull being returned to the vendor. This guarantee does not include interest, expense, costs or damages.
- Fertility – all bulls are guaranteed breeders. If there are any claims made against the bulls, they should be in writing within 19 months of the sale and accompanied by a Veterinary certificate. Should the bull fail to breed to a satisfactory level this animal will either be replaced with an animal of comparable value, refunded or a credit given at the following sale. This guarantee does not include interest, expenses, costs or damages.
- All bulls have been Veterinary examined.
- All bulls have been tested for BVD and EBL.
- 6% Purchasing commission to recognised companies registered with the NZ Stock and Station Agents Association.
- Any disputes shall be settled by an arbitrator appointed by the Auctioneers. The award of such arbitration shall be borne as ruled by the arbitrator.

### Terms Used

Lot Number: The blue tag on the Bull

Bull Number: The stud number of the bull e.g. The Mains E508

Calved: Birth date of the bull      Birthweight: Actual weight at birth

EBV: Estimated breeding values based on the bulls weights at various ages together with similar data from known relatives. A lower or negative score indicates lower weights relative to the breed average
